Thursday, February 1st

8:15 - 9:30

Project X: A window into the inquiring mind

During this workshop, parents will be introduced to the instructional method of inquiry, different types of inquiry, and then visit student teams involved in open inquiry during our exciting "Project X" large-scale inquiry experience.

Host and Facilitator:

Daniel J. Keller, PhD, Elementary School Principal

Molly Burger, Middle School Principal

Jacob Hendrickson, High School Principal

Venue: Auditorium
