

Principal Coffee Workshop

Thursday, May 30, 2019

08:15 - 09:30

B310, Elementary Flex Room

Planning for Summer Reading!

This library-focused session will:

- review the changing roles of a school library and what those different roles mean for you and your child(ren)
- briefly introduce you to the SSIS Library Standards
- share a variety of different resources for summer reading

Join us to learn about how our school library can help parents!

Host:

Daniel J. Keller, PhD
Elementary School Principal

Guest Speaker:

Lara Keller
Elementary School Librarian
